

The Messenger

FROM THE RECTOR'S DESK

By the time you read this, we will be well into the season of Epiphany. The word "Epiphany" comes from "*epiphaneia*" in the Koine Greek, which means to show, make known, or reveal. Epiphany begins with the visitation of the Magi on January 6. Here the world is introduced to the infant that is born in Bethlehem. In the event of the Magi going to Herod to find the child, the Son of God becomes known to the world, as we read in the Gospel of Matthew. The weeks of the Epiphany season that follow are a further revealing, or making known, the Christ child who was placed in the manger. They include Christ's baptism in the Jordan River and his first miracle at the wedding in Cana. Throughout the season of Epiphany, we explore numerous and various ways in which God has revealed God's self to us in scripture.

Wouldn't it be wonderful to have a personal epiphany? Scripture tells us that God will reveal himself to us, if we open our eyes and our hearts.

"I love those who love me, and those who seek me find me." (Proverbs 8:17)

"You will seek me and find me when you seek me with all your heart." (Jeremiah 29:13)

He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him." (John 14:21)

The wisemen from the East were seeking the Lord. They did not fully understand who they were seeking, but it did not stop them from doing so. They traveled a long distance, and were willing to make sacrifices. As we go on the journey of our lives, what do we seek? Whom do we seek? What sacrifices are we willing to make? Will we set aside time in our lives to seek God with all our hearts?

The season of Epiphany can provide you that time. It can take you on a journey to your personal Epiphany. Every journey begins with a single step.

Blessings,

Love knows no limit to its endurance,
no end to its trust, no fading of its hope:
it can outlast anything.
It is, in fact, the one thing that still stands
when all else has fallen.
